

Photography Contest 2012

“Girls and Women with Turner Syndrome In Action!”

We are looking for great photos of girls and women with TS - in action. It could be, for example, a proud moment (graduation? Marriage?), someone with TS on the job, taking part in a sport or a hobby, or as part of a relationship.

Entries to this contest will be submitted by a team: the photographer and the subject of the photo (ie. the TS individual). Photos of TS girls 16 years and younger must be accompanied by a parental consent form, available on our web site at www.turnersyndrome.ca . Entries will be divided into two categories: pictures by and of girls with TS, and pictures of adult women with TS.

The prize for the winning entry in each category will be announced at the 2012 conference in Toronto.

The criteria for judging the contest will be the standard criteria of what makes up a good photo - focus, composition, colour, etc., plus the relevance to the contest theme.

Photos must be submitted in electronic (.jpg) format to info@turnersyndrome.ca and may be cropped, but electronic alteration should be kept to a minimum, and the integrity of the photo should be respected.

Deadline date for entries is May 1, 2012. The contest results will be announced at the annual Turner Syndrome Society of Canada conference banquet, Saturday May 26.

All entries become the property of the Turner Syndrome Society of Canada. They will be used as appropriate for illustration of brochures, newsletters, web site material etc. but will not be connected with identifying information about the individuals pictured, or sold or distributed to third parties.
