Language: English

Design, Layout and Production by: Castlemore Graphics, Brampton, ON

Printed by: Charterhouse Printing Services, London, ON

Dimensions: 5.5" x 8.5" x 0.5"

**Book Description:** Turner Syndrome (TS) is a common genetic condition affecting 1 out of every 2000 to 2500 females. This book is written for girls and women with TS and their families and covers issues related to medical and psychosocial health. Topics discussed include genetics, growth, puberty, infertility and advanced reproductive technology, bone health, diabetes, hearing, school and learning issues, among others. Updated health surveillance issues are outlined. The chapters are interspersed with comments and stories written by girls and women with TS. This book serves as a comprehensive guide for those wanting to learn more about TS.
