President's Message:

Welcome to 2018. As we finish up our first year as an official chapter, I would like to thank each and every one of you for making 2017 a success. From our fundraising events to meet ups it has been a pleasure getting to know everyone and it warms my heart to see friendships and support for one another developing.

As we move it to 2018, stay tuned for more opportunities for events and get togethers. Our membership continues to grow and am optimistic that we can do great things this year.

Vicki Dalton
President
