

TORONTO CHAPTER NEWS JANUARY 2018

"There are far, far better things ahead than any we leave behind." ~ C.S. Lewis

Happy New year to you all!

In order to ring in the New Year on we would like to invite everyone to a Family Fun Skate on Saturday, January 20th. Bring your skates or bundle up and join us from the sidelines with some warm refreshments! All are welcome and encouraged to attend ☺

Registration will be open soon for the 2018 National TS conference at the Fantasyland Hotel in Edmonton, AB for those interested in attending. Several 'conference scholarships' will be available to those wanting to attend but are not able to due to financial reasons- inquire through the Toronto Chapter or the National office. And please reserve your accommodations early!

A brand new initiative this year (in the spirit of wellness) is a new walking club. We will try this monthly for the time being until the weather is more temperate, and until we can gauge interest/timing.

Hope to see you all soon and all the best in 2018!

Warmly,

Sarah Oostrom
Toronto Chapter President

JANUARY RECOMMENDED READ:

Wonder by: R.J. Palacio

August (Auggie) Pullman was born with a facial deformity that prevented him from going to a mainstream school—until now. He's about to start 5th grade at Beecher Prep, and if you've ever been the new kid then you know how hard that can be. The thing is Auggie's just an ordinary kid, with an extraordinary face. But can he convince his new classmates that he's just like them, despite appearances?

R. J. Palacio has written a spare, warm, uplifting story that will have readers laughing one minute and wiping away tears the next. With wonderfully realistic family interactions (flawed, but loving), lively school scenes, and short chapters, *Wonder* is accessible to readers of all levels.
